Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Tuesday 06 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A drier and brighter day.

Today:
A mostly dry morning with sunny spells developing, then rather cloudy this afternoon with a few sharp showers breaking out. More persistent rain will reach the northeast of the area this evening. Maximum temperature 20 deg C (68 deg F).

Tonight:
Mostly dry with clear periods over Western Isles and west Highlands. Cloudy further north and east with patchy light rain. Brisk northerly winds. Minimum temperature 12 deg C (54 deg F).

Wednesday:
Rather cloudy over the north Highlands with patchy light rain at first then a few showers later. Mostly dry and brighter from Skye down to Lochaber with some sunshine. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
A mostly dry few days with clouds breaking at times to give some warm sunshine. There will also be a few light showers. Light winds.
